REPORT OF LIBRARY TRUSTEES

The library circulated 90,994 books and magazines during the year. The lack of new books has been most noticeable in the childrens' department where the wear and tear and demand both from children and teachers is greatest.

More adult fiction was circulated than in 1932. The demand for books on social and economic subjects and the inspirational books has been more than we could supply.

Our library like others throughout the country has had unusual demands made upon its resources—with its reduced income it has been almost inpossible to keep the service up to the customary standard but it has met the call to the best of its ability.

530 books have been added of which 167 were given. This does not include those received from the Book Drive. The total number of books received from the book drive which was sponsored by the Civics committee of the Womans' Club was 1340. This included many worthwhile books of non-fiction as well as a splendid lot of western and outdoor stories. We take this place to again express our appreciation for such a worthwhile venture.

Childrens' Book Week was observed by two exhibits—one of new and attractive books from the Carolyn Stoughton Bookshop—the other an exhibit of pictures loaned by the Howe Library, Hanover, showing the works of our best known illustrators of children's books.

The library has benefited under the C.W.A., by having our former assistant, Miss Converse, for three months. We also have a book mender for three weeks. Both were sent to us by the New Hampshire Public Library Commission.

The N. H. L. A. at Peterborough was attended by Miss Gilmore and Mrs. Kingsley.

The usual activities have been carried on and books sent monthly to the Hospital, the Frances J. Tolles Home, the County Home and the Schools. About 100 books were taken down to Concord to be distributed in the C.C.C. Camps.

There is the usual interest in the Historical and Mineral Rooms. The work of arranging and labelling begun last year has not been completed.

The reading and reference rooms have been filled far beyond their capacity.

It is a common fact that when economic difficulties arise the things that are most useful are the very ones that the average citizen wants to curtail. This is especially true in the case of the public library in spite of the fact that outside of those agencies actually devoted to giving relief they are the most important stabalizing institutions in the country. As Secretary Ickes said—"An unwise economy that will cut at the roots of our American system of free schools and libraries may prove to be a fatal economy. Let each one stop and think of how much your community benefits, how much happier your children are and how much better the morale of the people—because of your library.

"Suppose a family's budget for food looked like this:

Meat, per month	$12.00
Milk, per month	5.00
Groceries, per month	35.00

Salt, per month .10

"What would you think of the brains of the head of the house if he said, 'Strict economy being necessary, let us cut down on the salt?' But the cut down on the relatively tiny amount the community spends on the public library service is to cut down on the intellectual salt which gives savor to most of life; which brings out the flavor and the meaning of many of life's happenings: which especially in times of material hardship and privation can do more than any other factor to make life palatable. Don't cut the salt out of your budget!"—Dorothy Canfield Fisher.

There is space for little more than the names of those who have generously given books, magazines or other articles to the library. They have all been appreciated. In this way several new magazines have been added: among them the Christian Century, the Commonweal, Colliers, Columbia, Country Home, Better Homes and Gardens, Country Gentleman, Fortune, Household Magazine, The Rotarian and the Womans' World.

We thank the local papers for the gift of their weekly issues and for printing library notes.

Following is a list of thee people who have made gifts to the library: Miss Asunta Barucci; Mrs. Hira Beckwith; Mr. Albert Benjamin, Great Neck, L. I.; Miss Effie Blanchard; Mrs. E. L. Bristol; Claremont Paper Company; Claremont Womans' Club; Miss Eleanor Colby; Miss Grace Colby; Mr. Melvin Colby; Mrs. Elmer Cole; Miss Mildred Converse; Mrs. Kate Costello; Mrs. Ruth Dolan; Mrs. C. Chief Engineer's Report

To the Board of Selectmen:

Bell alarms received at the Central Fire Station during the twelve months ending January 31, 1933, totaled 22, one of the highest numbers in years. The number of still calls, 307, also set a new high record, and the grand total of alarms, 329, to which the department responded during the twelve-month period is the largest in the history of the department and nearly 100 greater than during the previous year. Several serious fires developed during the course of the year, and many others were held in check only through prompt notification and response, coupled with a high degree of efficiency by department members.

The 22 bell alarms for the year were as follows:

Feb. 10—Box 22, 8:30 p. m., chimney fire, Thomas Esersky home, Spring street.

Feb. 24—Box 22, 12:30 p. m., roof fire, Thomas Esersky home, Spring street.

Feb. 27—Box 34, 10:30 a. m., chimney fire, Apanske home, Bank street.

March 9—Box 33, 10:00 a. m., C. E. Densmore store, West Claremont.

April 7—Box 22, 7:10 p. m., Claremont Waste Co., Main street.

April 10—Box 22, 2:00 a. m., Joseph Pelletier home, Union street.

April 13—Box 29, 4:10 a. m., Roy Welch home, Green street.

May 20—Box 26, 10:15 p. m., Claremont Steam Laundry, Main street.

June 26—Box 8, 10:00 a. m., Lucretia Jarvis house, West Claremont.

July 19—Box 13, 2:30 a. m., rubbish shed, rear Union Block.

July 26—Box 26, 12:05 a. m., truck fire, Main street.

August 18—Box 16, 12:20 a. m., C. W. Turner house, Pearl street.

Sept. 15—Box 14, 5:20 a. m., N. Brodeau tire shop, Washington street.

October 30—Box 39, 6:20 p. m., Riverside Inn, West Claremont.

November 6—Box 49, 6:10 a. m., Harry Scott house, Pine Ave.

Dec. 15—Box 25, 7:20 a. m., Susan F. Dow home, Broad street.

Dec. 28—Box 8, 12:40 a. m., F. N. Spafford home, Chestnut street.

December 28—Box 13, 1:50 p. m., Louis Goldberg block, Broad street.

December 29—Box 13, 5:55 p. m., Edward Bergeron block, Tremont street.

December 30—Box 46, 5:55 a. m., chimney fire, West Terrace street.

January 9—Mox 34, 10:55 p. m., Joseph Rzeczycki barn, West Lafayette street.

January 26—Box 35, 1:05 p. m., Roy E. Dodge house, South street.

The report of all brush and woodland fires will be found under the Forest Fire Warden's report.

HYDRANTS

No new hydrants have been added to the town system during the past twelve months.

FIRE ALARM SYSTEM

No new fire alarm boxes have been installed during the past year. Replacement of battery elements is required this year in order to maintain the system at its usual high standard of efficiency. These elements have not been changed for four years, and it would be hazardous to continue their use longer.

RECOMMENDATIONS

Despite the fact that Claremont's fire loss has been somewhat larger during the past twelve months than in some more fortunate years, the figure is by no means excessive. Continued cooperation on the part of townspeople in reducing fire hazards and in reporting minor blazes promptly has been much appreciated, as has been the invaluablee aid of the telephone company and its employees in rendering speedy and efficient service at all times. I am deeply appreciative of the loyalty and splendid work of department members, and I am sure that citizens in general share with me in this feeling.

C. E. SEARS, Chief Engineer.

Fire Warden's Report

For the Year 1933

To the Selectmen and Citizens of Claremont, N. H.

I would respectfully report there were seven forest fires during the past year, none of which were serious. The total cost being $92.20.

I wish to thank all those who assisted me and the general public for their cooperation.

Respectfully submitted,

P. J. SHERIDAN, Forest Fire Warden

Police Department

To the Police Commissioners and Citizens of Claremont:

It is with pleasure that I submit to you my first Annual Report as Chief of Police of Claremont, N. H.

From February 1, 1933 to January 31, 1934 there were 386 arrests classified as follows:

Robbery	3
Burglary—breaking and entering	2
Larceny	13
Auto Theft	1
Other Assaults	4
Liquor Laws	24
Drunkenness	201
Disorderly Conduct	3
Vagrancy	15
Gambling	2
Driving While Intoxicated	29
Violation of Road and Driving Laws	56
Traffic and Motor Vehicle Laws	19
All Other Offenses	6
Juveniles	8
Total Arrests	386

Arrests Disposed of as follows:

Committed	139
Paid Fine and Costs	122
Given Time to Pay	59
Filed	41
Out of Town Officers	5
Bound Over to Superior Court	7
Appealed to Superior Court	5
Juveniles	8
	386
Persons given lodging	1263
Doors left unlocked	151

RECOMMENDATIONS

I would recommend this year that the Town purchase a car suitable to the need of the Police Department in order that we may answer emergency calls more promptly. This year alone the Department has had to spend approximately $400 for the use of other peoples' cars.

Also, that two full time police officers be added to our force which would mean that there would be someone on duty during all twenty-four hours of the day—emergency calls be answered more promptly and efficiently—that the 2700 children attending our schools may have some of the Police protection which they deserve —to provide more protection to pedestrians and out-of-town shoppers, as well as a means of collecting dog taxes.

I fully realize that at this time expenses must be carefully considered, but I do not feel that I am asking for any more equipment than is actually needed.

REMARKS

This past year has been a pleasant one, due largely to the feeling of cooperation existing in our Department, not only among the other officers and myself, but with our County Solicitor, Mr. John H. Leahy, who has given us much of his time and worked with us in every way to help us obtain better results in our Police work.

I wish at this time to thank all of the Officers and Mr. Leahy for their spirit of cooperation which not only does much to make our work more pleasant, but accomplishes results which would otherwise be impossible.

Respectfully submitted,

WILLIAM C. NOBBS, Chief of Police

Health Officer's Report

To the Honorable Board of Selectmen:

I herewith submit the annual report of the Health Department of the Town of Claremont for the year ending January 31, 1934.

The year just passed has revealed very satisfactory conditions in the general health both of nation and community, contrary to the prevailing belief that years of depression are periods of increased ill health. The following statement has been made by the statistician of the Metropolitan Life Insurance Company: "The year's health depends in large measure on our good fortune in escaping epidemics." It will be noted that Claremont has been notably free in this respect. Exercise of preventive measures, immediate isolation, and careful treatment of cases of communicable diseases as they occur are factors that are important in preventing transmission.

COMMUNICABLE DISEASES

These, as reported, totalled during the year 175 cases, and are classified as follows:

Chicken Pox	13
Influenza	3
Measles	6
Mumps	3
Pneumonia	20
Scarlet Fever	65
Undulant fever	2
Whooping Cough	22
Venereal Diseases	35

DIPHTHERIA

No diphtheria has occurred during the entire year, which fact favors the continuance of effort towards prevention by free inoculation of all children; in this respect the continued cooperation of parents with physician and health authorities is solicited in order that this disease which has taken its annual toll of lives for many years may find no opportunity for future outbreak within our community.

TUBERCULOSIS

The following report is given by Miss C. M. Gobie, covering the activities of the N. H. Tuberculosis Association Clinic and Nursing Service from January 1, 1933 to January 1, 1934:

No. of clinics held in Claremont	8
No of persons examined at clinics	287
No. of new persons examined at clinics	133
No. of new positive tuberculosis cases found	16
No. of new suspicious tuberculosis cases found	19
No. of families under supervision	159
No. positive tuberculosis cases under supervision	162
No. of suspicious tuberculosis cases under supervision	87
No. of patients sent to sanatoria	7

This case finding and follow-up service in addition to the clinics of the N. H. Tuberculosis Association under the direction of Dr. Robert B. Kerr, Secretary and examining physician of the Association, is supported entirely by the sale of Tuberculosis Christmas Seals, and is of inestimable value to the community in its work of educating the public in the prevention of tuberculosis and protection of children.

INFANT WELFARE

The services of the Division of Maternity, Infancy, and Child Hygiene, of the State Board of Health are of great value in our community. This work is under the local supervision of Miss Elizabeth Carriel, R. N.

During the year 1933, in addition to the routine work of the Division, a two day child health conference was held in Claremont for Children of pre-school age. At this conference, 139 children were weighed and measured and given complete physical examination by the local physicians. Of those examined, 103 were found to have defects, while the remaining 36 were found to have no defects.

VENEREAL DISEASE

There has been a large reduction over the previous year in the number of such cases. These diseases are declared contagious and infectious, and treatment is compulsory by health authorities.

SANITATION

Inspection of stores, markets, restaurants, etc. has been conducted in company with the State Inspector. With few exceptions, canditions have been found favorable, and where changes

in conditions were necessary, cooperation on the part of proprietors has been evidenced.

In addition to these routine inspections are the investigation of various complaints, some of which are not within the scope of the department, but all nuisance reports are given prompt attention, and if investigation substantiates the complaint, steps are taken to correct the condition causing the nuisance.

As has been stated in years past, the most serious sanitation problem with which we have to contend is that of sewage disposal, which, under existing conditions, often times is a difficult problem and will be until some public system of sewage disposal is installed in the town.

Another source of trouble is the improper disposal of rubbish by a few seemingly careless people who seem to have little regard for the rights of the public, and no interest whatever in making their town a cleaner and healthier place in which to live. The town maintains a public dump, and it is not too much to ask of any citizen to see that all rubbish and waste matter is taken there, instead of being thrown on some nearby vacant lot, or over some embankment into a brook or river as is frequently done.

We wish to thank the school nurse and medical inspector of schools for the hearty cooperation and assistance during the past year; also the Red Cross nurse, Tuberculosis nurse, and the State Health nurse, who have aided in many ways in the local health work.

Respectfully submitted

WILLIAM P. PRESCOTT,

Health Officer.

American Red Cross

During 1933 the total number of home visits were 4084, and may be classified as follows:

Maternity	1,085
Medical	1,267
Surgical	426
Deliveries	9
Prenatal	421
Child Welfare	735
Tuberculosis	15
Business	126
	4,084

The paid and unpaid visits may be classified as follows:

Metropolitan Life Insurance Co.	1,125
John Hancock Life Insurance Co.	257
Paid and part paid	422
Unpaid Visits	2,280
	4,084

The thirteenth class in Home Hygiene was begun in October. Meetings are held afternoons and weekly.

370 babies were weighed at the Red Cross Office Saturday afternoons.

169 Birth certificates were delivered from the town clerk's office to the respective babies' homes.

27 tests were given for the Boy Scout Merit badges.

Office hours are held daily from 1 to 2 p. m.

MRS. ELSIE C. REYNOLDS, R. N.

Report of Milk Inspector

For year ending February 1, 1934

During the past year all cattle supplying milk and cream to the town of Claremont have been tuberculin tested and no reactors found.

Three cattle have been taken from herds and disposed of because of infected udders.

One dairy was stopped from selling their milk due to undulant fever.

Some two hundred visits have been made to dairy farms and the usual samples taken from wagons, stores and restaurants and sent to the State Laboratory. Those samples which showed from the examination that methods of handling were not correct have been investigated and corrections made.

The amount of milk supplied to schools has been greatly increased this year and is all supplied from pasteurization plants.

We have two "Grade A" dairies, two pasteurization plants and about seventy licenses have been issued to dairymen and stores.

I wish to thank the public for notifying me of any trouble they have had with the milk purchased and also to thank the producers for their willingness to make changes necessary, from time to time, to produce good clean, wholesome milk.

Respectfully submitted,

L. R. HAUBRICH, V. M. D.
